ALL STAR SCORESHEETS

International Cheer Alliance is sanctioned by and affiliated with the IASF. Many of the teams that compete at the Sea to Sky Championship travel throughout North America and have routines made and choreographed to suit the competitions they're attending. Therefore, Sea to Sky will be incorporating the "Varsity Standard of Scoring" for our 2010 All Star portion of the event so that your teams may attend multiple events without adapting your routines to fit a certain score sheet. More than 13 Event Producers contributed to this master score sheet, with more than 300 years of experience between them. Because the majority of our judges are brought in from the USA and will have been using these score sheets all season long, they will have been trained with them and will be comfortable using them, providing another year of accurate judging. For FULL explanations and to have access to ALL Score sheets, please visit the following website and link:

Registration dollars collected for The 2012 Sea to Sky International Cheerleading Championship will not be included in rebate totals, however the event will count towards a gym's qualification status, helping gyms reach the 4 event, 3 brand Varsity Family Plan requirement.

2012 SEA TO SKY RULES AND GUIDELINES

CATEGORIES/DIVISIONS

The INTERNATIONAL CHEER ALLIANCE and/or its competition personnel reserve the right to delete, combine, or divide categories and divisions as deemed necessary. An individual may not participate on more than one team within the same category. All athletes must be fully committed members of the teams they are competing with. The Sea to Sky International Cheerleading Championship will adhere to the USASF Rules and Guidelines for All Star Levels 1 to 6. For more information, visit their website at www.usaf.net

ROUTINE REQUIREMENTS

All Star teams perform all music routines. The routine may not exceed 2.5 minutes. Timing will begin on the first note of music or the first organized cheer or the first cheer movement, and will stop with the end of the cheer or last note of the music. A 10-point deduction from the total score will be assessed for going over the total routine time limit.

MUSIC

All teams must provide their own music. Cassettes will not be accepted. CDs must be labeled with the school/team name and category/division. A sound system will be provided. A back-up CD must be available & present at the time of performance. Speed control is not available. Music checks on the main sound system are not permitted. A representative must be present at the sound system at the time of performance. Advisors/coaches are asked to hold onto their own music until the time of performance and to take music back following the performance.

ENTRANCE/EXIT

Judges are looking for enthusiasm and showmanship during entrances and exits. Teams and individuals are encouraged to move on and off the floor as quickly as possible.

PERFORMANCE AREA

Both the warm up and performance areas will have a full 42' X 54' sprung floor with a 2" carpet bonded foam mat on top. Athletes/Teams compete on a Raised Stage. There will be no practicing on the performance floor prior to the competition. All stunts and tumbling must be completed on the mat. A penalty will be assessed for any stunting or tumbling completed off of the mat. You will not receive a penalty if you step off of the mat for a non tumbling or stunting related reason.

PERFORMANCE ORDER/SCHEDULES

Typically, performance order is based on the receipt of registrations. The first registration received will be the last to perform in that division and the last registration received will be the first to perform for the Saturday preliminary round. Adjustments may be necessary due to crossovers/division/team conflicts. All teams will be given an assigned check-in and warm-up time prior to competition. The "Person to Receive Correspondence" will be sent/emailed a tentative line up with performance times at least 1 1/2 weeks prior to the competition. These times are subject to change. The final schedule will be available by checking www.internationalcheeralliance.com and performance times will remain the same regardless of scratches. It is the advisor's responsibility to check the schedule for accuracy.

FOOD

There is a food court with various popular and health conscious vendors within the Vancouver Convention & Exhibition Center. Food / Snacks / water will be permitted inside the host facility.

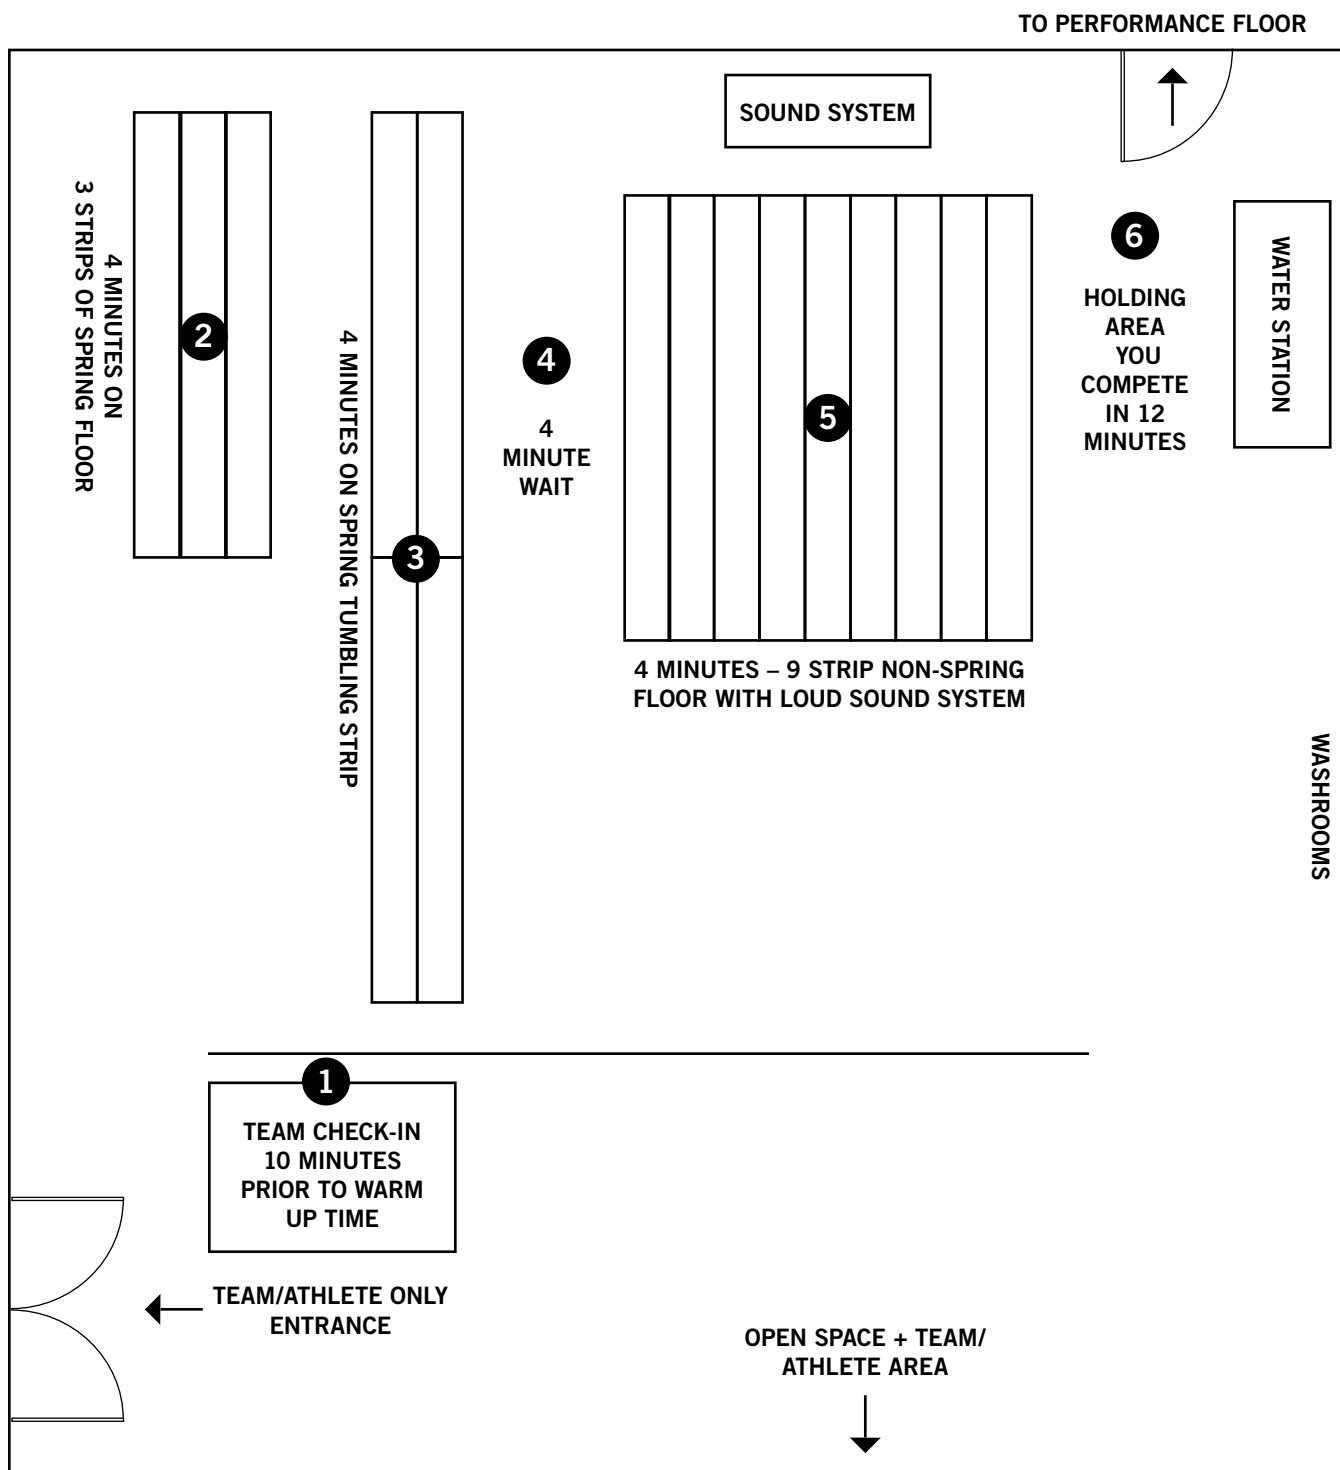

PENALTIES

10 Points will be deducted from the final team score /500 for each occurrence of a safety rule violation or specialty skill/level restriction and/or time infractions.

2012 SEA TO SKY WARM UP ROOM

Teams will be asked to check in 10 minutes before their scheduled warm up times. Teams have 16 minutes in the warm up area and then they compete 12 minutes after their final 4 minutes on the full 9 strip warm up floor.
